

People of Different tongues

© 2005 Wale Adenuga/Fountain of Praise Music

People of different tongues
Now singing the same song
Male, female, colored and white
Now singing the same song
To the One who redeemed us
With a price we could never pay

Angels in heaven
Indeed everything that breathes
Join us to praise the King (2x)

Unlike the Kings of the earth
You reign forever
They with all their majesty
Will bow before my King

Lord I face You now

© 2005 Wale Adenuga/Fountain of Praise Music

Lord as I seek Your face
All else must wait
They may be pressing and urgent
But I've got to face You now
I've got to face You now

Facing my God in heaven
Beholding Your mercy
I can't but yield to you in worship
As I face you now
Lord I face You now.

Lord of all

© 2005 Wale Adenuga/Fountain of Praise

It's not because I call You Lord
That You are God
It's not because I extol You
That You are high and lifted up

When time began
You were Lord of all
And when it ends
You'd still be Lord of all
Nations rise and nations fall
Flowers bloom and fade away
Yet You're still the same
And great is still Your fame

It is You

Only You can offer me true joy
Only You can give me life and peace
Only You are the lifter of my head
Oh Lord King of creation

Only You are so mighty to save
Only You are greatly to be praised
Only You are worthy of my praise
O Lord King of creation

It is You, It is You
It is You Jehovah, It is You.

The healer

© 1988 Ernest Okoh

Sometimes it's hard when things go bad
To find an answer to those easy doubts
That come into Your mind
And maybe then you think again
To put your trust in Jesus
Then you'll find your troubles come to an end

He wants to heal your crying heart
So bring it all to Jesus
He alone can meet your every need

He's the healer
And he can heal your heart
Bring him all your worries let him be your guide
He's the healer
His name is Jesus
He says come to me you broken-hearted
Here you can abide
In Him you'll have life

No matter who it happens to
The answer to your question is in Christ
From cold nights to no hope in sight
There's only one way
So open your heart today

Come bring your heart to Christ
It doesn't matter where you are
It doesn't matter where you've been
His Spirit of love gives to you
Peace with joy and righteousness
And he will wash your heart from sin

And he will wash your heart from sin.

There's no question

There's no question in my mind
About this O Lord
My soul knows that you are
Lord and King of all

King of all the earth

© 1997 Wale Adenuga/Fountain of Praise Music

King of all the earth
You are the champion
There's no point disputing Your reign
So why do the heathen rage
And imagine a vain thing
The reign of Your kingdom
Is forevermore

Up in heaven

Up in heaven You are the Lord
Here on earth You are the Lord
Under the earth You are the Lord
You are the Lord Of heaven and earth
